Bam Bam

No, oh, oh, I won't let go, oh, oh
I got something I need you to know
Yeah, yeah, yeah what can I say
Can't find the words so I put on a show
Baby take my hand, we're off to Neverland
Where everything is magic, where love never ends
We can sing along, to all our favourite songs
There's no need to rush 'cause we're never getting old
We sing hey, oh, hey, oh!
You sing bam, bam, eh!
We sing hey, oh, hey, oh!
You sing bam, bam, bam, hey, oh!
Hey, oh, hey, oh!
You sing bam, bam, eh!
We sing hey, oh, hey, oh!
You sing bam, bam forever!
We sing hey, oh, hey, oh!
You sing bam, bam forever!
I-I-I, I can't deny
I wanna stay in this moment we sang
So, put your hands up high, like you can touch the sky
I'm gonna dance 'til we don't have a clue
Baby take my hand, we're off to Neverland
Where everything is magic, where love never ends (love never ends!)
We can sing along, to all our favourite songs
There's no need to rush 'cause we're never getting old
We sing hey, oh, hey, oh!
You sing bam, bam, eh!
We sing hey, oh, hey, oh!
You sing bam, bam, bam, hey, oh!
Hey, oh, hey, oh!
You sing bam, bam, eh!

We sing hey, oh, hey, oh!
You sing bam, bam forever!
We sing hey, oh, hey, oh
You sing bam, bam forever
We sing hey, oh, hey, oh
You sing bam, bam forever
Bam, bam forever, bam, bam
Bam, bam forever bam, bam
We sing hey, oh, hey, oh!
You sing bam, bam, bam, eh!
Hey, oh, hey, oh!
You sing bam, bam, hey, oh!
We sing hey, oh, hey, oh!
You sing bam, bam forever!
We sing hey, oh, hey, oh
You sing bam, bam forever!
We sing hey, oh, hey, oh
You sing bam, bam forever!

Pippi

Här kommer Pippi Långstrump,
tjolahopp tjolahej tjolahoppsan-sa,
här kommer Pippi Långstrump,
ja, här kommer faktiskt jag.
Har du sett min apa,
min söta fina lilla apa,
har du sett Herr Nilsson,
ja, han heter faktiskt så.
Har du sett min villa,
min Villa Villekulla-villa,
vill å vill du veta,
varför villan heter så?
Jo, för där bor ju Pippi Långstrump,
tjolahopp tjolahej tjolahoppsan-sa,
där bor ju Pippi Långstrump,
ja, där bor faktiskt jag.
Det är inte illa,
jag har apa häst och villa,

en kappsäck full med pengar
är det också bra att ha.
Kom nu, alla vänner,
varenda kotte som jag känner,
nu ska vi leva loppan,
tjolahej tjolahoppsan-sa.
Här kommer Pippi Långstrump,
tjolahopp tjolahej tjolahoppsan-sa,
här kommer Pippi Långstrump,
ja, här kommer faktiskt jag.

Goliat Laleh

Vad var det vi sa när vi sträckte ut våra armar?
Vad var det vi sa när vi två tittade ut ifrån berget?
Vad var det vi skrek när drömmar bar oss bortom stan? Åh
En dag
Ska vi härifrån
Vi sa
Vi ska ta över
Vi ska ta över världen
Vi ska bli stora
Vi ska bli mäktiga, ha-ha
Och vi ska göra jorden hel
Ja, vi ska göra vattnet rent
Ja, vi ska aldrig skada varandra mer
Och vi ska slåss
Ja, vi ska slåss mot Goliat (Go-li-at)
Så tro på mig
För jag vet att du är modigast
Vad var det vi sa som vi aldrig nånsin skulle glömma?
Vad var det vi såg i soluppgången vid sjön?
Vad var det vi skrek där på vägen hem över fotbollsplanen? Åh
En dag
Ska vi härifrån
Vi sa
Vi ska ta över
Vi ska ta över världen
Vi ska bli stora

Vi ska bli mäktiga, ha-ha
Och vi ska göra jorden hel
Ja, vi ska göra vattnet rent
Och vi ska aldrig skada varandra mer
Och vi ska slåss
Ja, vi ska slåss mot Goliat (Go-li-at)
Så tro på mig
För jag vet att du är modigast
Vi ska ta över (Ni ska)
Vi ska ta över världen (Ni ska ta över världen)
Vi ska bli stora (Ni ska)
Vi ska bli mäktiga, ha-ha
Och vi ska göra jorden hel
Ja, vi ska göra vattnet rent
Ja, vi ska aldrig skada varandra mer
Och vi ska slåss
Ja, vi ska slåss mot Goliat (Go-li-at)
Så tro på mig
För jag vet att du är modigast (du kan)
Vi ska slåss
Ja, vi ska slåss mot Goliat (Go-li-at, du kan)
Så tro på mig
För jag vet att du är modigast (du kan)
Goliat (Goliat)
Mot Goliat (Go-li-at)

Kissy face, kissy face sent to your phone, but

Let it go Frozen

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen
The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I tried
Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know
Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway
It's funny how some distance makes everything seem small
And the fears that once controlled me can't get to me at all
It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me
I'm free
Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry

Here I stand and here I stay
Let the storm rage on
My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past
Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on
The cold never bothered me anyway

Imagine

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky
Imagine all the people
Livin' for today
Ah
Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Livin' life in peace
You
You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one
Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world
You
You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one
